

The Greg Nicotero Scholarship for Special Make-Up Effects Students \$5,000

This scholarship is offered prior to the Fall semester only. It is awarded to a graduating high school senior or anyone who is interested in applying to Tom Savini's Special Make-Up Effects program. Greg Nicotero will choose the recipient within two weeks of the submission deadline. The winner will be notified via certified mail.

Please submit the completed application, along with a 250-500 word biography, and a portfolio of your work (digital or hard copy). All portfolio submissions must be solely the work of the individual applying for the scholarship. Portfolios should include a make-up that reflects the applicants' skills in creating a character. The make-up may be done on a face and photographed, it can be a mask, it can be painted, or it can be sculpted. It can be 2-D or 3-D, but must be a finished piece. You will be judged on creativity, design, application and completeness. Materials submitted will not be returned.
